The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Idledale Water Infrastructure Upgrades in fiscal year 2024. The entity to receive funding for this project is Idledale Water and Sanitation District located at 405 Urban St., Suite 310, Lakewood, CO 80228. The funding would be used for to help Idledale Water and Sanitation District provide safe drinking water to its residents by decreasing radionuclide levels and increasing the quantity and quality of water available to resident drinking water and bringing the water system into compliance with existing state and federal regulations.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brittany Pettersen  
Member of Congress
